

Dear Guidance Counselor or Principal,

I am pleased to announce The Junior League of Worcester is continuing our Scholarship Program for 2021. I hope you will help us promote this wonderful opportunity to the women at your school.

SCHOLARSHIP INFORMATION:

In 2021, JLW will award one scholarship valued at \$3000 to a Worcester area graduating senior, who identifies as female and has demonstrated outstanding voluntarism or community service during their high school careers. This scholarship reflects the belief of JLW members in the value of "doing" for the community and our mission to promote voluntarism, develop the potential of women and improve the Worcester Community through the effective action and leadership of trained volunteers. Our scholarship program is our way of expressing our admiration for the young volunteers working in local organizations.

WHO WE ARE:

The Junior League, one of the oldest, largest and most effective women's volunteer organizations in the world, has matured and evolved since it was founded by social activism pioneer Mary Harriman in 1901. Since 1925, the Junior League of Worcester has continued to grow by improving and enriching the quality of life for women and children. Through a shared mission, league members work to make a difference through individual and collaborative efforts. We have worked collaboratively with more than 125 area organizations and have touched the lives of thousands of individuals throughout our history. While times have changed, our members still donate their time, energies and financial means to promote positive change and to secure a bright future for our city.

Attached you will find the 2021 application forms and guidelines. Students may also access this information on our website at www.jlwma.org/scholarship. Students may send their applications electronically to jlwscholarshipchair@gmail.com. Applications must be received by MARCH 25, 2021 to be considered
